6. The auctioneer reserves the right to regulate the bidding.
7. The auction is subject to the condition whereby bids are accepted by the auctioneer, the seller or an appointed representative of either.

17. The auctioneer sells each lot vehicle per the year of first registration as stated on the certificate of registration in respect of the motor vehicle.
18. An administration fee of R1 500 excl of VAT will be added to the auction invoice of the purchaser in the instance where a motor vehicle has been purchased and accepted by the seller.
19. All accounts must be paid in cash, electronic transfer or credit/debit cards, forthwith, after each day's sale, in default of which the unpaid-for lots may at the auctioneer's sole discretion be re-sold and the defaulter held liable for any shortfall and any other costs relating thereto.
20. Ownership of the goods sold vests in the auctioneer's principal until payment in full has been made.
21. The risk in any goods sold shall pass to the purchaser immediately as such goods have been knocked down to the purchaser.
22. The purchaser acknowledges that the auctioneer will secure the goods in the same way as any other goods under his control and is not liable in any way for any damage to, or shortfall in, the goods or any goods stolen or destroyed before the purchaser takes delivery of the purchased goods.

25. A person who attends the auction as a proxy must produce a letter of authority meeting the requirements in terms of Regulation 26 (3) of the CPA. In the event of a purchaser acting as a representative failing to legally bind its alleged principal, he or she will be personally liable for all the obligations. The provisions of this clause shall continue to apply to anyone signing these terms and conditions on behalf of an entity, hereby accepts these conditions and shall be deemed to be bound as surety as co-principal debtor.
26. Should legal proceedings be instituted, the auctioneer may, in its sole discretion, do so in their personal capacity or that of the auction house.
27. Auctions are recorded via a recording device for dispute purposes.
28. If a dispute should arise between the Auctioneer and the purchaser, the Auctioneer reserves the right to hold any deposits paid as surety until the dispute is resolved between the parties.
29. The purchaser hereby agrees to pay costs on the scale as between attorney and client, disbursements and collection commission incurred by the seller or auctioneer to obtain payment of any amount due hereunder. The purchaser consents to the jurisdiction of the Magistrate's Court, in term of Section 45 of Act 32 of 1994 as amended, but acknowledges that it is in the sole discretion of the auctioneer or seller to elect to institute action in the High Court.
